THE NEWSLETTER

OCTOBER 2012

Clyde LeBarron Odom, Sr, age 84, passed on to glory peacefully at his home in the arms of Christ, on October 4, 2012.

He was the beloved husband of the late Dorothy Louise Moss. Surviving children are Melissa Odom Hudson, Rebecca Odom Fertitta, Clyde LeBarron Odom, Jr., and Mark Lane Odom; grandchildren Angela Fertitta Rodriguez, Jonathan Fisher Hudson and Vincent Odom Fertitta and great-grandchild Sophia Sarah-Marie Rodriguez. Also surviving is fiancée Dorothy Kelly Lowe of Birmingham, Alabama.

He was a husband, a father, a healer, a teacher and a fisherman. A 1954 graduate of Texas A&M Veterinary College and practiced in Laurel and Anchorage Alaska.

He would let a client pay with watermelons for treating his cow. He would, at 2:00 am, after delivering a calf, eat a big breakfast made by the homeowners, look up and say, "That's enough payment for me!" He treated Binky, a polar bear at the Anchorage Zoo and got attacked for his efforts.

He was a master storyteller, whether wrestling Binky (aka the polar bear), at the Anchorage Zoo, fishing, delivering a calf, or simply holding the paw of a beloved pet.

He created the story of his life joyously and will be greatly missed by his Lake Eddins friends and neighbors.

"We deeply appreciate all the expressions of sympathy and condolence from the Lake Eddins' residents. My father treasured his friendships here and loved his fishing time at this lake. Thank you for your support."

The children and family of Dr. Clyde L. Odom, Sr.
